

Out of Age Group Consent Form

This form is to be completed by the parents or guardians of players participating in an age group that is outside their normal age group. For example, if a child is age eligible for under 12 but is playing in an under 13 team then their parents or guardians would need to complete this form.

I/We as parents/legal guardians of my/our son/daughter,

authorise and acknowledge that he/she is playing above his/her rightful age group and that there may be risks associated with this practice. On our behalf and on behalf of our child will hold you harmless and indemnify you in relation to any result of playing out of the rightful age group. We indemnify the Kenmore Cricket Club, and any of their agents, from any liability whatsoever in this regard. This authority shall continue until revoked.
